**JOIN US**

The Royal New Zealand Returned Services Association (RNZRSA or RSA) was originally started by NZ Veterans as a place to gather for companionship, to remember their mates who did not return, and to support each other post war. Although the lessons learned and awareness remain, the wars in which they fought are passing into history. Many of those who have served have now left us.

So, not surprisingly, in recent years the profile of our membership has changed and the RSA has now become a meeting place for all people in the community. Our RSA club rooms are well established facilities, ready and available for you and your family and friends' enjoyment. All visitors are welcome to come in for a meal, a social beverage, meet with friends, or book as a venue for celebratory occasions.

The Kororareka | Russell RSA was established just after WWII with our members drawn from a diverse range of locals in the Bay of Islands community, holiday makers, campers, tourist and of course current and former Veterans, Servicemen and Servicewomen and/or their families. Our members enjoy a range of benefits including discounted products and hospitality services, and there is always room for others/new members to come, connect and share our great community spirit, support and fun.

On behalf of all at the Kororareka | Russell RSA, we'd like to invite you to join us. To make that happen, simply complete the application (overleaf) and return it to any of our committee members. It will be our sincere pleasure to welcome you in.
